PERSONAL HEALTH INFORMATION

COMMUNITY BRAIN INJURY SERVICES (CBIS)

REFERRAL

CBIS provides services to adults who have sustained a moderate to severe brain injury. In order to determine if a person meets our criteria for service, we review information regarding GCS, loss of consciousness, and CT/MRI/other imaging results. Forwarding records that report on one or more of these areas, with the referral, will allow us to process your request for service more efficiently.

Brain Injury: **Date:** (YYYY/MM/DD)_____ **Cause:** _____
