Adapted Online Exercise Prescription and Programming

What is Revved Up @ Home?

Revved Up @ Home is an online adapted exercise program for persons living with a disability. This online program will provide online personalized exercise coaching. If you are looking to stay active from home and work with student volunteers to help you with completing a home-based exercise program, then **Revved Up @ Home** is for you!

Online 1:1 Exercise

Like our in-gym offering of Revved Up, participants will work with student volunteer exercise coaches. **All sessions will be delivered remotely**, using video call technology such as Zoom.

Sessions are **40 minutes in length, twice a week**. Sessions are held with morning, afternoon, and evening availability to suit your schedule. Options include:

- **Monday & Wednesday**
- **Tuesday & Thursday**
- **Wednesday & Friday**

What Will You Need?

- Computer, laptop, or tablet with working webcam and microphone
- High-speed internet
- Household items to use as equipment, such as:
 - Weights, canned goods, textbooks, or water bottles
 - Dowels, broom handles
 - Towels, belts, or elastic bands
 - By signing up for Revved Up @ Home, a TheraBand will be mailed to you for use during 1:1 sessions

How to Sign Up?

- Contact **Revved Up @ Home** by telephone at **613-533-6000 ext. 79283** or by email at **revvedup@queensu.ca**
- You will be sent intake paperwork, and consent & waiver forms. Next, you will book an online assessment with our Revved Up @ Home Coordinator, and a personalized exercise program will be designed for you!
