VON

Stroke
Survivor
Day

Live
Every
Day.

About the Program

The program is focused on helping people who are recovering from a stroke gain the skills they need to get back to enjoying life.

This program is rehabilitation-based and gives members a place to continue to challenge themselves and to recover. It is a supportive group setting that has focus on:

- Recreation
- Exercise
- Health and wellness
- Socialization

The staff are trained, qualified and experienced in the adult day setting. The program length will be different for each person depending on his or her needs. People can expect to be connected with other community programs and services.

Eligibility Criteria

- Self-referral accepted
- Be able to actively participate in program activities

Fee

- \$20 per day which includes lunch

Dates

- Wednesday from 9:30am to 3:30pm

Transportation

- Transportation support can be arranged with Transportation Program – call 613-354-6668 ext. 109

Location

101 William Henderson Dr, Bath K0H 1G0
