Our staff can assist you by:

- » Placing your job posting on our online Job Board or in house Job Board
- » Posting your job ads on our social media
- » Collecting and pre-screening candidate resumes
- » Hosting job fairs and information sessions
- » Connecting you with hiring and training incentives and grants
- » Offering workshops and training
- » Assisting with disability-related accommodations and training

Our Job Developers can also provide you with information about employment and training grant programs, including:

- » Apprenticeship programs with a \$2000 signing bonus
- » New hire incentives which provide hourly wage reimbursement for short-term on-the-job training costs
- » Canada-Ontario Job Grant programs which reimburse employers for staff training costs
- » Job matching your available position with one of our registered job seekers
