Financial Counselling Service

- ▶ Remedial Counselling (fix a problem)
- ▶ Preventative Counselling (prevent a problem)
- ▶ Productive Counselling (plan to get the most of our \$\$)
- ▶ Budgeting and planning - can your income go further?
- ▶ Assets v. Liabilities - what do we have to work with?
- ▶ Debt Management
- ▶ Plans to repay OR restructure debt
- ▶ Interest reduction
- ▶ There is ALWAYS a way out of debt

Health events and Finances

How are they related?

- ▶ Changed ability to earn income
- ▶ Increases in dietary expenses (more produce, leaner meats, organic foods, Med diet, etc.)
- ▶ Cost of rehabilitative equipment (rent or buy)
- ▶ Costs of Gym memberships, personal training, rehab, survivors classes (wellness centre, Belleville)
- ▶ Costs of new prescriptions and appointments (Transport)
- ▶ Increased insurance costs (premium increases)
- ▶ Medical debt - not just a USA problem! -19% of insolvencies in Canada cite a health event as cause*
