

Is vision loss getting in the way of your everyday?

Vision rehabilitation services can make a difference!

- Increase your independence and ability to do the things that are important to you!
- Discover technology, strategies, services, and products to make life with vision loss easier.

SOVRS

The South East Ontario Vision Rehabilitation Service (SOVRS) is funded by the Ministry of Health to provide vision rehabilitation therapy to people of all ages. Our team will work with you to determine your needs, and select the strategies best suited to you and your goals.

How do I connect with vision rehabilitation services?

- Ask your healthcare provider about a referral to SOVRS

or

- Start the referral process yourself by phoning 613-542-4975, extension 5081

Referral information and our referral form can be found online:

- <https://ophthalmology.queensu.ca/clinic/SOVRS>
