

Community & Long Term Care Collaborative Learning Network present:  
**Supporting Persons with Brain Injury & Stroke**

**Target Audience:**

- Healthcare Providers (e.g. PSW, Nursing, Allied Health, Restorative Care, Recreation Therapy, Rehab Assistants and Volunteers) who care for individuals with Acquired Brain Injury and/or stroke and other complex patient populations in Long Term Care, the community, complex continuing care, and other related settings.

**This interactive session will support your understanding of:**

- Types of acquired brain injury including stroke
- Impacts of acquired brain injuries (e.g., behavior, emotional and cognitive changes, communication and mobility challenges)
- Interventions and care strategies

**Choose a Date & Location that Works for you!**
